

RESEARCH GRANT

Master Research Fellowship

The NOVA National School of Public Health, NOVA University Lisbon, has opened an offer position for 1 Research Fellowships(s), within the scope of the R&D project Access to critical medicines in Europe, funded by Viatrix, under the following conditions:

Scientific area: Health Economics and Health Services Research

Requirements:

- a) Degree in the area of Medicine or pharmaceutical sciences;
- b) Experience in quantitative research projects;
- c) Good knowledge of scientific writing in English.

Preferential factors:

- a) Knowledge in the area of quantitative data science;
- b) Experience in presenting and publishing results of scientific research work (articles and oral presentations at national and international conferences);
- c) Certification of level of oral and written expression in English (level C1 or higher, according to the Common Framework of Reference for Languages);
- d) Immediate availability.

Work plan: Validation and preparation of the database (IQVIA-MIDAS); analysis of trends in prices, consumptions and expenditures for the 2018-2023 period; identification of interruptions in data series, link to drug policies through case studies; elaboration of a predictive model for drug shortages; writing reports and scientific articles. The work plan will be developed within the scope of the project “Access to critical medicines in Europe”.

Applicable Legislation and Regulations: [Statute of Scientific Research Fellow](#), approved by Law nr. 40/2004, of August 18, amended and published by Decree-Law nr. 202/2012, of August 27, amended by Decree-Law nr. 233/2012, of October 29, by Law nr. 12/2013, of January 29, by Decree-Law nr. 89/2013 of July 9 and by Decree-Law nr. 123/2019, of August 28 and the rules established in the [Research Fellow Regulations of NOVA University Lisbon](#).

Workplace and scientific supervision: The work will be carried out in presence at NOVA National School of Public Health, NOVA University Lisbon, under the scientific supervision of Professor Julian Perelman.

Duration of the Research Fellowship(s): the duration of the research fellowship(s) will be for 6 months, starting in September of 2024. The research fellowship can be renewed up to the maximum provided for in the Research Scholarship Regulations of NOVA University Lisbon.

Monthly maintenance allowance: The amount of the fellowship is 1.259,64 € (may have a higher value, according to the technical and scientific skills demonstrated), according to the values for

research fellowships awarded by NOVA in Portugal. In addition to this amount, there is the payment of personal accident insurance and the payment of voluntary social security.

Selection methods: The selection methods will be the following: Curriculum evaluation (100%) in case there is no need for an interview. If an interview is considered necessary, both components will be weighted: Curriculum evaluation (70%) and interview (30%).

Composition of the selection Jury: President: Professor Julian Perelman 1st Member: Professor Francisco Ramos, 2nd Member: Professor Joana Alves and Substitute: Professor João Pereira.

Application deadline: The call is open from 22/07/2024 until 05/08/2024.

Application formalization: Applications must be formalized mandatorily by e-mail to gaidi@ensp.unl.pt, with the reference 951099_241 in the subject, and must include mandatorily the following documents: Curriculum Vitae, motivation letter and academic degree certificate.

The documents required for the submission of the application will only be admitted if submitted within the deadline of application.

The following documents will be requested in the contracting phase:

- a) Copy of civil and tax identification document(s) and, where applicable, social security document(s);
- b) Document proving the country of residence, residence permit or other legally equivalent document, where applicable, valid at the start date of the fellowship;
- c) Documents proving that the candidate meets the conditions required for the respective type of fellowship, namely proof of enrollment and registration in a cycle of studies or non-degree course and/or proof of academic qualifications required for the type of fellowship, if applicable.

Communication of the results: The final evaluation results will be communicated to all applicants by e-mail. For further information please contact the Research Support Office (GAIDI), telephone +351 21 751 21 65 or through e-mail: gaidi@ensp.unl.pt.
